

Grangemouth High School

Improvement Priorities

Session 2025 - 2026

Themes	Curriculum, Learning, Teaching & Assessment	Culture, Ethos, Relationships, Equality & Inclusion	Improving Outcomes
	Improvement Priorities		
	Learning Strategy A focus where all staff have a clear and shared understanding of the core elements of a lesson	School Context All staff will work to understand the context of our pupils and understand how best to meet needs of all learners – targeted and universal supports.	Attendance Improve overall attendance of specific cohorts of learners whilst promoting start time of school
	Curriculum Development All staff will work to widen the qualifications portfolio, suitable for Grangemouth High, while improving outcomes for all learners	Relationships Policy Both staff and pupils will co-create our Relationships Policy. CLPL will enhance this element throughout the year	Focus on School Leaver Destination rates Improve SLDR % to increase to 95% for October 2025 and working to sustain and improve this for key points of the session
	Tracking, Monitoring & Implementing Interventions Staff will fully embrace the opportunity to engage in tracking learners through planned learning opportunities and implementing interventions to add support to extend the learning experience	School Vision This will be shared and lived across the school by both pupils and staff.	Sustain improvement in all Attainment Measures All Principal Teachers will have a clear plan to make improvements in all measures, with the additional support of the 5+ Academy
		Parental Engagement Parents will be invited to participate in the live of the school through 2 parents' evenings per year group, and the Parental Learning Event in September 2025. Aiming to encourage 75% of our parents to engage with these events across the year
